

# President's Report

Welcome to the latest edition of the *At Stumps* magazine! Thanks to club Secretary Andrew Honey and his team for putting it together for us all to enjoy. We hope that it will provide you with a record and a reminder of your achievements this past season.

I can say it has been a pleasure and a privilege to serve the club as President this season. Thank you to my fellow committee members for their dedication and hard work in the running of the club.

By far the biggest sponsor of our club is the Bankstown Sports Club from which we take our name. On behalf of us all I thank the Board and the Directors for their assistance. Our committee members are especially grateful for the financial support that the Sports Club makes available, as it enables us to do much more than we could otherwise hope to achieve.

During the season I enjoyed attending at least one match with each of our teams, and was delighted to see high standards of play

and personal conduct everywhere. Credit for this is due firstly to our coaches, who invest large amounts of time and energy in their respective teams, but also to each of our players, who have all taken on board the ideals of playing not just according to the rules but also according to the spirit of the game.

The Junior and Master Blaster programs at the Vale of Ah were a great success. Thanks go to Glenn Cordingley, our club Treasure, for his tireless work in organising and coordinating all our Blaster teams.

We fielded three U10/11 teams this season, playing in T20 format, which made for compelling viewing and great action.

The U12s, U13s and U15s sides kept to the traditional format of the game with the hard ball in a "drop in" competition with the Fairfield-Liverpool association. This gave us new experiences and new teams to test ourselves against. It also highlighted the work of Canterbury-Bankstown Council in providing us with such excellent grounds.

According to the MyCricket web site, across all of our teams we scored over 6500 runs, bowled over 1700 overs, and took more than 500 wickets. Our U15s team made the Grand Final of their competition. The U13s team made the Semi-Final of theirs, and all our other teams gave a good account of themselves – but more importantly, everyone made friends and had lots of fun.

Our Representative players have played hard and travelled widely, not just around Sydney, but also as far afield as Canberra and Brisbane. Congratulations!

Thank you all -- players, parents, coaches, managers, scorers, committee and friends --

for being part of Bankstown Sports Cricket Club, and for sharing with us the great adventure we call Cricket. Whether you play purely for fun or you're hoping to pull on the Green and Gold one day, there's a spot for you on one of our teams, and we look forward to seeing you again next season.

# JUNIOR TEAM REPORTS

## Junior Blaster & Master Blaster

This year saw the introduction of the new form of cricket being the Junior and Master Blasters program facilitated by Cricket NSW. We have had great success with this program with over 40 Junior and Master Blaster players joining the program for the 2018-19 season.

The Woolworths Cricket captures all the colour and excitement of the Big Bash League in a fun format suitable for children at an entry level.

The children this year have been able to experience a modified game of cricket using lighter equipment in a fast and fun pace. This program was developed to ensure all young cricketers can progress to the next stage of junior cricket with confidence.

It has been designed to give all children a fair and equal go and increase enthusiasm

amongst all participants. Its shorter format allows an entry level engagement by parents to allow children to play and therefore gives more flexibility.

I feel that Bankstown Sports have had a great level of participation in this program this season and I personally have enjoyed seeing all the children at Vale of Ah each Saturday enjoying their cricket.

**2018-19 Junior Blaster Participants**

First Name	Family Name
Arham	Hassan
Mohsin	Shahid
Rayan	Ali
Noah	Garrett

All at Bankstown Sports Cricket Club hope you have enjoyed the program and we look forward to seeing you all for the 2019-20 summer season.

**Glenn Cordingley** – Blaster Coordinator

# Under 10-11s Gold

This season we have played 15 games and won 13. Extremely proud of our team's achievement. Both players and coaches worked hard to develop the squad. This is a fantastic effort. Some of the kids also played representative cricket. I also received plenty of support from parents in setting up, packing, training and scoring during the matches. Excellent team effort and a wonderful cricketing community.

**Isaac Coghlan** – age 8, RH bat, RA bowl, WK, 99 runs (average 16.50), 12 wickets, 2 catches, 1 stumping. Isaac is a good middle order batsman and an offspin bowler. Throughout the season he worked hard with his batting and bowling. He started with pace bowling and lately has developed his off spin and wicket-keeping skills. Had a great season all round and is a valuable contributor. Always up for the challenge.

**Sam Cordingley** - age 10, RH bat, RA bowl, WK, 171 runs (average 57), 16

wickets, 5 catches. Sam had a great season all round. His leadership skills were crucial this season as he has assisted all team members and managed to win many games. Sam also kept wicket and took good catches. Sam never quiet on the field, always encouraging players. A wonderful team player.

**Joel Dancy** – age 8, RH bat, RA bowl, 116 runs (average 23.2), 21 wickets, 2 catches, leading wicket taker. Joel is our super-fast bowler. Described as the “Curtly Ambrose” of the gold team, as he runs in from boundary line to bowl to batsman, he has amazing pace, swing and accuracy. Joel is a very good batsman and fielder. Taken a number of good catches this season, including a hat-trick.

**Katelyn Dancy** – age 10, RH bat, RA bowl, 65 runs, 11 wickets, 1 catch. Katelyn is one of our wrist spinners and a steady middle order batsman. Always helping the team in getting the job done. She has improved her

bowling and batting towards the end of the season and challenged herself to perform well in our team. Played up in U12s.

**Nazeer Mohsin** – age 10, RH bat, RA bowl, 58 runs (average 7.25), 9 wickets. Nazeer has worked hard with his batting towards the end of this season. A good medium pace bowler, improving his skills each season. He is working hard with his fielding and he showed improvements in all areas.

**Sameer Mohsin** – age 8, RH bat, LA bowl, 36 runs (average 7.25), 15 wickets. Sameer is a good middle order batsman and left arm bowler. Sameer is our “Wasim Akram”, as he bowls very good inswing and has taken many wickets. He challenged himself to perform well with older boys and made a good progress throughout the season. Very good young talent.

**Ethan Natkuna** – age 7, RH bat, RA bowl, WK, 158 runs (average 79), 19 wickets, 3 catches, 3 stumpings. Ethan is our youngest player and has contributed in all areas this season. He has many variations in wrist spin bowling, which led to the success of taking many wickets. Good top order batsman, has taken good catches behind the stumps.

Ethan can bowl both spin and pace. He has also involved in many match winning batting partnerships. Another very good young talent.

**George Panagis** - age 11, RH bat, RA bowl, 143 runs, 7 wickets (average 36.75), 3 catches. George started the season quietly but came up really well at the end of the season. Good accurate bowler and middle-order batsman. Played really well for the team. Has taken a number of good catches this season. His batting and bowling improved throughout the season.

**Josh Peters** – age 11, RH bat, RA bowl, WK, leading run scorer with 215 runs (average 53.75), 8 wickets, 3 catches, and 1 stumping.

Josh is a very good powerful batsman, can bat anywhere in the order and helped the team in all areas. He bowled pace, spin and has taken very good catches behind the stumps. Always encouraged the team and worked hard to assist the team.

Athavan Natkunamanickam  
COACH

## Under 10-11s Green

The 2018-19 season was a fun filled and ultimately, rewarding summer of cricket. With some new faces in the squad, the Green Team practised hard, developed and enhanced their individual skills and their team work to deliver an exciting and entertaining brand of junior cricket.

Whilst we had a lot of success on the pitch, winning 9 from 14 matches, what was most important and most pleasing was seeing the development of each and every player across the summer from a lot of hard work and determination. Countless hours of practice at official trainings and with parents in backyards, driveways and cricket nets, saw the players rewarded with consistent and improving results.

It was my honour to manage and coach the team. Yet it would be remiss of me not to thank Lee Lauchlan and Lyn Stathis for sharing scoring duties, and to all

the dads and mums who at various times assisted with training each week. Additionally, I would like to thank the players' mums and dads who constantly supported me whilst juggling busy lives.

I would also like to thank David Dancy, Glenn Cordingley and Andrew Honey for all their hard work and constant support at the club and I am indebted to the sponsors especially Bankstown Sports Club. I'd also like to pay my gratitude to the coaches and parents of other teams, who without them, we'd have no competition. Now, in batting order, the players.

**Max Kolbe** – Max is the pocket dynamo of the team. An effervescent fellow, he's forever cajoling his teammates to stay focussed, chases the ball like a terrier and is bouncing around with more energy than a nuclear power station. Max is also our Rock of Gibraltar – opening the batting each and every week – he faced up to the new ball to

set the platform for the team to launch, grafting 93 valuable runs at 31.

Late in the season, he collected his PB score of 12 and was ecstatic, as we all were, because opening is a difficult role and he was our only in constant in a fluctuating line up. Max really shined with the ball though – cajoling wickets with his nagging line and bedazzling with his spin – netting himself 18 wickets at 5.72. 2/2 was his best, but with snicks a plenty and more slips fielders next summer, Max will benefit immensely with the extra catchers.

**Jackson Jansou** – JJ radiates positivity. Always celebrating his team mates' achievements and welcoming opposition players to the crease, JJ's vibes keep everyone upbeat even in the heat and humidity. JJ trained his backside off pre-season and right through the summer to develop both his batting and bowling. Going from scores of 2-5 last summer, JJ enhanced his batting by playing strokes, looking for gaps and running fast between the wickets. Occasionally opening or batting 3-5, JJ collected himself an amazing 126 runs at 15.75 with an imposing high score of 17.

He got a liking for fours, and with his broad shoulders, swung the bat like an axe. I am most proud of JJ's bowling. It took many, many hours of practice and frustration but JJ turned a corner mid-season, briefly flirting with leg-spin to finally arrive at training one afternoon to become a fast bowler – just like that. It was a "light switch" moment but Wow! Collecting 8 wickets with a best of 3/3, JJ went from a "work in progress" to a lad you could hand the new ball to. I was thrilled, JJ was relieved and his dad was proud. In kids' sports, there's nothing better than that.

**Eric Stathis** – Eric had a fantastic summer both with bat and ball, and as our prime wicket-keeper, ultimately leading the district with catches behind the stumps (10). Often opening with Max to set a platform, Eric did exceptionally well against the new ball. He was equally effective as a lower order batsman who came out to wallop

bowlers for big boundaries, amassing 123 runs at 41.00 with a top score of 22.

There was a lot to like about Eric's tactical development, with his newfound ability to read the game which lead to him setting fields and encouraging his fielders and bowlers to maximise their effectiveness. Eric usually bowled too, producing pacey spells that contained batters and netting him the occasional wicket. A laid back dude, Eric's chirp whilst 'keeping, to encourage his team mates, is effective and priceless...and often very, very humorous.

**Bree Kurtz** – Bree hung out at pre-season training with her brother and by season's end, had established herself in the team. Having a baseball/T ball background too, Bree's throwing arm was lethal, daring a runner to tempt a single and skittling the stumps with a whooshka. As a newcomer, the transition was sometimes tough, but despite her frustrations with herself when things didn't pan out, Bree continued to work hard on her game and those pre-season glimmers of talent began to bear fruit.

Where at season's start, it was the Wild Thing riding in to town to bowl three pitches away, by the end, Bree had developed two equally effective deliveries: the lightning bolt slingshot inches over middle stump, and the lollipop lob that was near on unplayable. With the bat in hand, Bree quickly learnt the art of calling, and was vigilant sneaking through byes which became her forte. She pushed through the challenge of moving from flat bat to straight, reaching a turning point towards the end of the season, and was soon exploiting fielders as they napped, dashing through for singles and racking up some runs. With 47 runs and 5 wickets, Bree should be very happy with her debut season.

**Jordan Fernando** – When focussed, Jordan can be one of the most elegant stroke players I have seen, with impeccable timing and placement. His uncanny gift to find a gap really should have netted him many more runs and with bluff and bravado aplenty, I can foresee a time when a fully

committed Jordan dismantles bowling attacks with little more than his trademark grin and swipe of his blade.

Swaggering up to bowl, Jordan could twirl the ball, mesmerising batters with a mix of nonchalance and deliveries that could spit and spin off the wicket and at times bowled extremely tidily for little reward. In the field, you could imagine Jordan in the 1920s – donning his sweater, leaning over the boundary fence, regaling the crowd and sipping a sasarilla. His cheeky grin and idle boasts amused me no end, and whilst there were times Jordan drove me insane, he was the kind of kid who kept me trying to better myself as a coach.

**Oliver Kederian** – Olly has a special place in my heart. This is a kid in his second summer of cricket who constantly works to make himself better. His bowling is a work in progress, but the balls when he gets it right, Olly jags a wicket – a super spell of 3-8 was one of the highlights of the summer. Along with his dad Jack, Olly spent many hours getting his bat and pad together, learning to use his feet and watching the ball so he didn't get himself out. There is no better sight than seeing a cricket junior developing a solid defence stroke and a drive on the offside and yet this is what Olly is learning to do. Amazingly too, he has one of the best cut shots in the Under11s.

He is granite with the bat, sensing the value of his wicket and developing 'that' shot that when it all comes together, is going to be one of the breath taking sights of our game. Olly, along with JJ, learnt to hit the gap and began trusting his instinct to run the single. The next target was a boundary or two, and in a couple of games, he absolutely creamed a four to the ropes. Another with broad shoulders, oppositions will shudder in the future when Olly walks to the crease for not only will he be as safe as houses, the loose balls will be driven and cut, and he will score big.

**Bryce Fisher** – Bryce joined the team and immediately set about refining his bowling action and putting his head down and practising his shots. He lives, breathes,

sleeps cricket and just working hard pays big dividends. And boy, did it pay dividends. Scoring 202 runs (one of only three boys in the Under11s to hit 200 runs) for the summer at an average of 33.67 with a top score of 23, Bryce quickly developed in to a batsman with flair and authority, attacking the bowlers, hell bent on plundering runs and giving few chances.

Give him the new ball, Bryce is also your typical fast bowler – a cherub off the field, a fury of arms and legs on the pitch. Early on, we established he had to bowl 'the Brycey Way' and as a fast right arm quick, Bryce took 8 wickets at 12.13. If truth be told, were the LBW Law in force, he'd have easily reached 20-25 wickets, so effective was his pace and line and length, and it bodes well for Under 12s.

**Drew Kurtz** – Drew joined the team after a few years of baseball/T ball and as with any transition, there was a period of learning what the game is all about. Drew was another who continually practised honing and improving his skills. Already a very capable fielder and catcher with a fine, accurate throwing arm, Drew set about catching up with his team mates, relishing the opportunity to stride to the crease with his bat and cause havoc.

Tallying 118 runs for the summer at 11.80, Drew became a mainstay in the batting line up, always hungry for runs. His average is affected by his switch from the flat bat swing of baseball to that of one needing a straight bat but, my, what a swing! When Drew hits the ball, it stays hit. Home runs and sixes...everyone loves them! Furthermore, Drew became another bowler in the arsenal, pitching up with pace and collecting himself a very handy 9 wickets at 10, with a best of 2/8.

**Alex Lauchlan** – Alex was tasked with leading the batting this summer in the absence of Chrissa Stathis, a challenge he clearly relished. Amassing 287 runs at 57.40 with a top score of 36, Alex took to the local bowling attacks intent on bludgeoning and finessing them in to submission, stamping his authority at the

crease. If he hit big, the field moved out, allowing him to pick off easy singles. Quick between the wickets, if 1 could be 2, it was and he encouraged his batting partners to run for everything.

His bowling was very effective too, taking 17 at 6.94 with a best bowling effort of 4/2. Working that 4th stump and top of off, Alex was relentless in his pursuit for wickets. In the field, it sometimes felt like he had glued his hands, snatching catches at opportune times. Alex should be very proud of his performances this summer.

**Anthony Bellach** – Anthony joined the training squad after Christmas, setting about working hard on his batting and bowling, as well as maintaining his keeping. A safe set of gloves, Anthony stepped in for a game and immediately made his presence felt with a catch behind the stumps – ultimately

denied. It wasn't long after that his golden gloves snaffled up another catching opportunity and this time it went into the books, to the joy of his new team mates.

His 10 overs of tight keeping impressed all and his solid, dependable batting netted him 9 runs. Able to play up in the U12s, Anthony continued to give excellent service to that team, ultimately finishing his season with one more U11 match, this time in the Blue team as a favour to me. In the game he took 4 catches behind the stumps and scored an impressive 22 runs off 17 balls. Regardless of being on the “other” team, Greens embraced Anthony as one of their own and celebrated his achievements.

Chris Lauchlan  
COACH

# Under 10-11s Blue

We are a young side with almost all of our players playing in a club for their first time. This season we played 10 games, did not win any. We were playing short most of the season, playing with just 4 players in a game. Parents supported really well. Training could've been better, but most of the time it was only possible when I had the time. I feel that the kids would benefit from more structured coaching next season.

**Nawfel Rashid**, LH Bat, RH Bowl – 60 runs, 5 wickets. Nawfel is a power hitter in the making. He is an aggressive batsman, and tries to clear the boundary often. Bowls good flighted leg spin deliveries. Definitely at the top of the team in the season. Taken some good catches as well. Played up in U12s.

**Jairus Lowe**, LH Bat, LH Bowl, WK – 27 runs, 5 wickets. Jairus is the most energetic player in the team. Has a great passion for the game. He bats well with a good front-foot technique. Bowls great medium pace

deliveries. But his highlight is his wicket keeping. He is always telling the kids what to do, always shouting for a catch or a return throw to him. Excellent effort. Played up in U12s.

**Utbah Imran**, RH Bat, RH Bowl – 30 runs, 4 wickets. Utbah is a pace bowler in the making. Good run up, nice straight action, and hits the stumps most of the times. He has shown abilities of a good fielder as well. Sliding and catching the ball with good technique. Good batsman, played some great shots along the ground in the season.

**Zain Hussain**, RH Bat, RH Bowl – 23 runs, 3 wickets. Zain is a good all-rounder. Good bowling action. Better batting performance and always ready to help the team in the field.

**Zunaira Imran**, RH Bat, RH Bowl – 22 runs, 4 wickets. Zunaira has a passion for the game. She always keeps her attention on the situation of the game. First time in club cricket, a lot to improve. She brings very good energy to the team.

**Aarib Mohammed**, RH Bat, RH Bowl – 9 runs, 4 wickets. Aarib is a very energetic little bowler. Always trying to aim for the stumps. He is going to be a great asset for the team in the years to come.

**Mahmood El Cheikh**, RH Bat, RH Bowl – 28 runs, 2 wickets. Mahmood is a very silent contributor to the team. Scored most of his runs as singles and doubles, thus providing the middle order batsman every team needs to rotate the strike. Always there for the team.

**Tahmeed Mahmud**, RH Bat, RH Bowl – 0 runs, 0 wickets.

Tahmeed didn't play many games with us. Hope see more of him next season.

I really loved the time spent with the kids. I wish I could've done more for them. This was my first time coaching any team as well.

Imran Shahid  
COACH

## Under 12s

# Preliminary Finalists 2018-19

This team has terrific potential, who with consistent coaching and persistence will go

a long way in hard ball cricket. It has been a steep learning curve since that opening

round, played against Green Valley at Steve Folkes. Sports had 10 players who had not played together before.

Green Valley were pretty confident, making 2 for 126 off 21 overs, and looking for an early mark. In that 21 overs we bowled 23 sundries, equivalent to 3.5 overs – so we had bowled balls equivalent to the regulation 25 overs. Our over rate was good but our bowling was wayward.

In reply Sports made 4 for 118 off 21 overs – a losing margin of less than the sundries we had gifted the opposition. The highlight of that first game was Abrar Patwari's 52 n.o. Shon had a good dig with great concentration to make 24. Since that game we have had seen what can be achieved from a dedicated playing group in less than ideal circumstances. What can they achieve with systematic coaching – great things lie ahead of them.

**Shon Abraham** – Shon has a very positive attitude to the game. He is always keen to open the batting and attack the ball, attributes he also showed last season. Made 24 in Round 1 and top scored with 12 in Round 4, a low scoring game that Sports lost by 1 run. Opened the batting and peeled off 32, including six 4s, against Revesby Workers in round 7.

Shon's bowling has improved throughout the year. In round 5 against Mounties at Allambie he opened the bowling and took 2/2 off 2 overs – the team's first bowler to take more than a single wicket in an innings. Followed this up in round 7 with 2 for 34. Also played in U12/13 T20.

**Anthony Bellach** – Anthony is very passionate, moving from Under 11s to fill the wicket-keeping role, with a number of run outs, a classic catch or two, and an eagle eye for a stumping. Took 2 caught behind catches in round 6 against Moorebank. His batting turned from attack to defence throughout the year in order to keep the team batting for as long as possible, playing a sheet anchor role in the team. Made 15 against Revesby Workers in round 7.

**Owais Bin Hawei** – Owais came into the side in round 4 against Fairfield. He opened

the batting with Anthony and made 10, the second highest score. In round 5 Owais effected the first run out (off his own bowling) of two, and then took the final wicket, bowled. Had another run out in round 6 against Moorebank.

**Enoch Hu** played in round 1, his first cricket match ever, and not surprisingly found it a bit intimidating; his father thought that a cricket match went for about an hour, and was readying leave at the first drinks break! U12s is not a beginner's game even if you are the correct age. You are up against some players who have been playing for 5 or 6 years.

**Nicholas Mamo** – We were fortunate to have Nicholas for the last three games of the season, as without him we wouldn't have had the numbers. His bowling tied the batsmen down, reflected in the three run outs in round 11 against St Christopher's. Very attacking in the field with a strong throwing arm. And when he hits the ball it stays hit. Also played in U12/13 T20.

**Aheed Mirza** – Aheed played the last regular round and the Preliminary Final. Best bowling was 1/15. Hope to see more of him next season.

**Feras Mohammed** – Feras is very accurate with his spin bowling, which he delivers with enthusiasm, determination, and accuracy. Best bowling was 1/13 in the Preliminary Final. Feras is, at least outwardly, one of the calmest batsmen you could hope to see, head very still, great shot selection, and always gave his best.

**Minhad Naqvi** – Minhad's first match was an informal game in round 2, when we had to forfeit due to insufficient players, against St Christopher's at Gordon Parker. He displayed his characteristic features from the get go: constant chatter in the field, very accurate bowling, and batting hampered by a bat way too big for him. He and Glenn took catches off Shon's bowling in round 5 to have both Mounties openers out with the score on 2. Followed this up with 2/36 against Moorebank in round 6.

**Abrar Patwari** – Abrar has played for Sports for a number of seasons. Opened his

account with 52 n. o. (compulsory retirement) in round 1. Unfortunately, that was all we got to see of him.

**Glenn Siby** – Glenn never let us down on the field. Ran out one of the openers in the game against Moorebank in round 6. Glenn was also consistent with both bat and ball. Often one of the opening pair, was not out in round 4. Made 14 in round 12 batting at number 7. Carried his bat for 14 n. o. in round 12. Also played in U12/13 T20.

**Ryan Thorndike** – It was great to see Ryan, who played last season, in the side, contributing with bat and ball and fielding in the gully. He effected a run out and took a wicket, bowled, in round 7 against Revesby Workers at Graf Park. Best figures were 1/7 in round 11 against St Christopher's at Steve Folkes.

The side has been supplemented by, and thanks goes out to them: those playing up, including **Katelyn Dancy** (rounds 6 and 7) second highest score in round 7 with 17 runs which included a 6 and two 4s, **Jairus Lowe** (Preliminary Final) with bowling figures of 1/13, and **Nawfel Rashid** (round 12 and Preliminary Final) with bowling figures of 1/19 and 1/20; those age eligible and already playing in U13s, including **Khidash Naqvi** (Round 6), and **Felix Grebe** (round 6); and those coming from Blaster programs (welcome to hard ball cricket), including

**Rajit Kumar Das, Rishit Kumar Das, Fayaz Yaseen Mohammed, and Shadman Rahman.**

Through the season our field placing and fielding technique improved, but we always leaked runs when playing short. And when it came to batting, on a number of occasions were all out for 9 wickets or less. In the two-dayers this resulted in some lopsided score lines. By contrast, in the one-dayers when full strength we were always competitive. Across the season we were one of the fittest teams, which is the platform for building everything else. In the Preliminary Final the team showed a lot of grit playing in wet conditions and never gave up.

The Under 12s are a great young team. Starting with a small group from last season's Blue team we now have a good nucleus of what promises to be something bigger and better, if we can attract another 3 or 4 regular players. Let's hope next year we can start off on a positive note and expand on the progress made this season.

Thank you to the parents for bringing the kids every week, for doing the scoring, and for setting up and packing away the gazebo. All these are an essential part of the team.

**Adrian Bellach**

Coach

# Under 13s

## Semi-Finalists 2018-19

**Moses Afiouni** – Congratulations on your 1st year of cricket with Bankstown Sports, Moses. This year Moses immediately became a very valuable member of our team. He played as an opener and a middle order stabiliser batsman and took on each role without hesitation. He was able to score freely, which allowed him to build some great partnerships and put the team in a great position to win games. With the ball Moses was able to bowl with great pace hit spots that batsmen found tough to negotiate. This would dry up the runs and often result in a wicket. Thanks for a great season mate, you've been a pleasure to coach!

**Cynthia Coghlan** – 2018-19 was Cynthia's first season of cricket with Bankstown Sports. Already an accomplished cricketer, she continued to work hard on her game throughout the year. With the bat she

displays a great technique enabling her to block out any good deliveries and dispatch any bad ones. This allowed her to score some important runs for the team this year. Cynthia also bowls with fiery pace, consistently making the batsmen have to work hard for their runs. Thanks for a good season Cynthia!

**Jeremy Coghlan** – 2018-19 was Jeremy's first season of cricket with Bankstown Sports, bringing a great skillset and mindset to our team this year. Jeremy fulfilled many roles to best of his ability this year. When asked to bat or bowl in difficult circumstances Jeremy took up the challenge. He also took many key wickets throughout the season that often changed the course of the game. He also was a great contributor with the bat scoring quickly

when the team needed it most. Thanks for a great season Jeremy.

**Tomas Cordingley\*** – Tomas continued to work diligently this year to further his skills. As a captain Tom did a great job at setting attacking fields, shuffling the bowlers around and leading the group. He had a great season with the ball taking a lot of key wickets and barely conceding any runs. Tomas had a good year with the bat despite being unlucky at times. He scored some crucial runs and played some classy and entertaining innings. Keep working hard, the best of you is still to come. Well done on another good year!

**Matthew Dancy** – This season was Matthew's best to date. His success with both bat and ball were a culmination of years of hard work. With the bat he showed great patience and classy technique, allowing him to put together some huge scores in key moments. Matthew also put together some tremendous bowling performances, using his fiery pace to take some important wickets. Congratulations on an amazing season Matthew!

**Felix Grebe** – In season 2018-19, Felix continued to build on his hard work from last year. This constant hard work allowed him to put on some great performances this season. With the ball Felix became a go to man during the middle of the innings. His ability to bowl consistent line and length and conserve runs was very valuable to the team. He also played some great power cameos with the bat and hung around when need be, scoring some crucial runs when the team needed it most. Thanks for another great season Felix!

**Hassaan Jamil** – This season was Hassaan's best yet. Throughout the season he showed dominance with the bat, playing some classy shots that allowed him to post some big scores. His great work ethic also allowed him to pick up a few yards of pace with the ball. This added pace, coupled with his trademark consistent line and length, allowed him to take a great deal of wickets in key moments. Congratulations on a great

season mate, glad you're seeing the results of your hard work.

**Shekinah Lowe** – 2018-19 was another great season for Shekinah, who is an extremely committed member of the team who is always training and working hard. Throughout the season Shekinah bowled line and length that created great pressure for the opposition and allowed her to take some important wickets. Shekinah also expanded on her batting this year, building on her solid defence with some great attacking shots. Congratulations on another good season.

**Fahim Mahmud** – This season Fahim displayed an immensely powerful batting game and pacy bowling. Throughout the season Fahim further improved on these aspects of his game. With the bat he expanded his technique allowing him to defend good balls and hit huge sixes. This allowed him to make key runs and play some entertaining innings. With the ball Fahim was fast and bouncy, making it hard for the batsmen to play. He took many key wickets throughout the season. Thanks for a great season Fahim!

**Khidash Naqvi** – Khidash is a very enthusiastic and valuable member of this team. This year he continued to work hard on his game, attending every training session he could. This translated on the field with some great performances. He bowled some great line and length this year and also pick up a few yards of pace that allowed him to take a bunch of wickets. Khidash was very impressive with the bat this year, combining defence with some great power hitting. This allowed Khidash to score more runs and play some very entertaining innings. Thanks for great year mate!

**Christopher Summers** – Chris picked up where he left off from last season and continually improved throughout. He played a very important role with the bat, scoring some important runs and steadying the ship when required. The way that Chris throws himself around the field is unbelievable, taking some great catches and saving valuable runs. With the ball Chris

showed great improvement, consistently took wickets and kept runs to a minimum. Congratulations on a great season Chris!

*A message for the players and parents*

Thank you all for another amazing season of cricket. Each and every child in this team was eager and enthusiastic. Week in week out the kids came to training and the game, with determination to constantly improve. No matter the result or the situation, everyone had each other's back and were extremely supportive win lose or draw.

Each one of these kids are a pleasure to coach. They are all so well behaved, well mannered, respectful and talented. They never fail to put a smile on my face each

week. This is a great testament to the parents. I would also like to extend my thanks to all the parents and grandparents for taking their children to games, supporting our team and chipping in to help. All this is impossible without you and I am truly grateful of your continued support.

We had a great season, we achieved, improved and most importantly had fun! We may not have gotten the success that we deserve, but we learnt a great deal along the way. Thank you all for yet another great year of cricket!

Lachlan Hunt  
COACH

# Under 15s

## Grand Finalists 2018-19

This year we teamed up to coach the boys. We played in the newly combined competition between Bankstown and Fairfield Liverpool which saw us travelling some distance to play games. Let's just say that the standard of grounds in Fairfield Liverpool DCA are nowhere near the standard of our local grounds at Bankstown. Even though we had 11 players on paper, we were unable to field the full 11 until the Grand Final. That said, we played above and beyond most days, managing to finish 5<sup>th</sup> on the overall table and 1<sup>st</sup> in the Bankstown competition.

We met St Christopher's in the Grand Final, won the toss and batted first but we struggled, posting a total of 130. Unfortunately this was not enough to secure the win however the boys played with great enthusiasm and sportsmanship and the game went down to the second last ball of

the match as St Christopher's chased down the runs.

We would like to congratulate the boys on making it yet again to the Grand Final and thank the boys for their hard work and dedication during the season. We also thank all the parents for all their support, John for his help with umpiring, and most of all our wives Brooke and Kylee for putting up with us throughout the season!

**Sameer Aleem** – One of our key opening bowlers. Saved his best game for the Grand Final taking 1/15 off 9 overs.

**Saraang Baba** – Improved in his second year of cricket with the team, especially with his spin bowling. His passion for all things cricket is admirable and evident through all the questions he asks, and he was always first to reply to the team's WhatsApp messages even when at school!

**Ishaq Brais** – Improved his batting and bowling again this year. Highest score of 20no with best bowling figures of 2/18. Gave his all at training each week.

**Sahil Chauhan** – New to the team this year. Very handy with the bat and ball. A positive addition to the team. Represented Bankstown in the U15s Rep team.

**Ryan Freeman** – Had a great representative year, first he represented Bankstown in the U15s Rep team. Then his talents were rewarded with selection in the Bankstown Cricket Club Green Shield and 5<sup>th</sup> Grade teams. In February he went on to represent NSW in the National U15s Championship in Queensland where he took 8 wickets.

**Peter Hayes** – Another great year in all aspects of his game. Also selected in the Bankstown U15s Rep team, Bankstown Cricket Club Green Shield team and 5<sup>th</sup> Grade team. Always the best dressed in the team!

**Edward Hu** – Took his first wickets of his cricket career this year, finishing with 3 wickets for the season. Mr Dependable in the field, throwing himself around to stop the ball with any part of his body he could!

**Siddhant Jethaliya** – New to the team this year. Very good addition to the team and useful with both the bat and ball. Also selected in the Bankstown U15 Rep team.

**Muhammad Sameer Khilji** – First season in cricket. He played a handful of games and always tried his best.

**Fatehy Naqvi** – One of our opening batsmen who plays with all his heart and soul. Highest scorer in the Grand Final with a gallant 31. Plenty of potential.

**Ethan Prideaux** – Our captain who led from the front. Utility player taking on any position within the team depending on who we had available on the day. Represented Bankstown in the U15 Rep team.

**Liam Sorrenti** – Managed a complete season without injury! Our leading wicket taker for the year. Great asset to the team with his all round game.

Keep up the hard work boys – cheers!

Troy Freeman and Craig Prideaux

## 2018-19 Senior Achievements - Grand Finalists

C-Reserve Grade

## C-Reserve Grade Grand Finalists 2018-19

This has been a rollercoaster season for the team, many of whom played through the C Grade finals series last season, only to be rolled by a very strong Belmore Rovers side in the Grand Final. So, our aim was to make and win the Grand Final.

We made the one-day final at Graf, only to be overhauled by a Bass Hill side that had some very strong players, particularly ex rep players Clayden Sands and Luke Kayani. Nevertheless, we finished the season as Minor Premiers, and were optimistic that we could beat Bass Hill in a two-day match.

In the preliminary final, played at Marco 3/4, we had Bass Hill all out for 84, with Clayden Sands bowled by Imran for 3, Steve Attard caught Imran bowled Zaak for 5, and Luke Kayani caught Paul Markham bowled Adam for 1. In a tour de force Adam was the best of the bowlers, with 4 for 22 off 8 overs. In reply Sports passed their

score with 5 wickets down; Adam top-scored with 27 runs.

In the other preliminary final an understrength Revesby Workers beat Panania at Kelso. So, while we had a week off (training was called off due to rain) Bass Hill played Revesby Workers. The match descended into controversy, when the bona fides of a Revesby player were questioned, Bass Hill believing that an unregistered ring-in was being played. Overnight Revesby Workers Club withdrew the team, conceding defeat.

The Grand Final was played at Playford Park. This is one of the three grounds that the BDCA had booked for Sundays (for the reps). At Graf for the one-day final, two back to back T20s were in progress under the umbrella of Origin cricket. Although Origin had a permit, they agreed to move their second T20 to accommodate the Grand Final. The same thing happened on the

Sunday of the two-day Grand Final – but this time the teams were on the ground without a permit.

Bankstown Sports won the toss and elected to bat. Runs were hard to come by, with very accurate bowling (for example Clayden Sands finished with figures of 1 for 36 off 12 overs). The stand out bowler was Dylan Attard, who looked innocuous but finished with figures of 6 for 34 of 14.2 overs. Best with the bat was the irrepressible Imran with 44, followed by Liam Sorrenti with 23, and Anthony Caudullo with 13. At stumps we had Bass Hill 2 down for 17 with the match still to play for.

Early on day two Luke Kayani, who had made some big scores during the season, was lucky to survive a caught behind off a glove. He was set when he went over the top, only to be brilliantly caught at mid-off by Alan Huynh for 30. That was the breakthrough we needed. However, Bass Hill continued to grind away. Dylan Attard, who had been sent out as an opener/nightwatchman, was eventually caught behind for 47 in the 47th over. But he had stayed out there, plugging away at a run an over and holding up an end, to be out 3 runs short of the winning score.

We hadn't made enough runs with both the top order (rearranged for this match only, why?) and the middle order wilting. Guys, finals are in a different league. Mental toughness we had, just not enough of it. Our Grand Final was over. But we'll be back next year bigger and better than ever.

**Saarang Baba** – an U15s player who also backs up in the afternoons, he has cemented his place in the Senior side as a very accurate, nagging spin bowler. The keenest member of the team to train, he is also an excellent fielder. As a batter, although not a bit hitter, he drives the opposition to distraction simply by occupying the crease for long periods. Stand out in round 14 with 2 wickets and 22 runs.

**Anthony Caudullo** – played irregularly this season, showing glimpses of the terrific form last season that saw him make a

century and take a bag of wickets. Always made runs, always in the wickets, with 3 wickets in round 14 being a standout. Saturday work commitments have taken Anthony out of junior coaching this season and put an axe through his availability for Seniors.

**Paul Cimadori** – played with Sports in the Over 35 Masters Cup last winter. Has been with a number of clubs since playing with Sports in the summer a decade ago. Was not going to play at all due to weekend work commitments and a young family. Yet in every game except the Grand Final his skill and experience showed. Took wickets and batting continued to improve, with 51 in round 7, 48 n.o. (ran out of partners) in round 8, and 73 n.o. in round 9.

**Zaakir Essop** – a seriously good bowler, who did not often reap the rewards his quality deserves, Zaak had an ordinary season with the bat. To add insult to injury, nearly all the season's LBW howlers were visited on one batsman: Zaak. Took 2 vital wickets in the Semi Final. Very consistent and on occasions, lethal, bowler, taking 2 wickets apiece in rounds 1 and 2. Will bounce back next season, for sure.

**Umar Farooq** – returned to the UK permanently part way through the season. Umar is a seriously express bowler who was a real handful, in part because of his inconsistency. Pace plus inconsistency equals fear factor, with batters taking evasive and sometimes rash action. Two wickets apiece in rounds 5, 7, and 8. Best score was 28 in round 3.

**Muzzafar Goolam** – after a brilliant debut last season (his first in organised cricket) Muzzafar was more subdued this season. He missed a big chunk of the season due to work commitments and missed the tail end of the season, including all the finals, due to a work trip overseas. Hope to see him back next season bigger and better than ever.

**John Hayes** – played with Sports in the Over 35 Masters Cup last winter. Handy with bat and ball, John did not play many games this season due to his commitments to the U15s as one of the coaches and to

getting Peter Hayes to and from A.W. Green Shield and 5th Grade. Filled in where he could and always had an impact, making runs and taking wickets in rounds 1, 2, 3.

**Peter Hayes** – an U15s player of some talent, Peter only played one game in Seniors, round 1, where he took 1 for 35 off 5 overs, and top scored with 39 n.o. He has been otherwise occupied, when not playing U15s, with A.W. Green Shield and 5th Grade.

**Andrew Honey** – played with Sports in the Over 35 Masters Cup last winter. Improved his batting average this season, having only 3 knocks, two of them 0 n.o. Continued to take the difficult catches easily and to drop the sitters. Eased up on the excessively loud appealing after bursting a blood vessel in his eye. Is working to improve his ground fielding and throwing. A NSWCUA qualified umpire he stood in BDCA and Women's Grade matches.

**Alan Hunyh** – a stalwart of the club and our back up wicket-keeper, he has made himself available for every game. His brilliant overhead take of a screamer from Luke Kayani in the Grand Final was the breakthrough dismissal; that we couldn't go on with it shouldn't take the gloss off an outstanding catch. Very energetic in the field. Sticks around when gets a chance to bat.

**Ali Imtiaz** – played with Sports in the Over 35s Masters Cup last winter. Joined the summer team late in the season. Is a much better player than his figures would indicate. Unfortunately, work and study commitments kept him out of the Finals series. Probably should have bowled him more, and as a first change bowler.

**Paul Markham** – played with Sports in the Over 35 Masters Cup last winter. Long-time member of the club and one of the last season's struggling A Grade side to stick around. Only in this grade because he is carrying a number of injuries, which have hampered both his batting and fielding. Yet turned up every week even though has work responsibilities most weekends. Took a brace of slips catches and had made some

handy scores, including 39 in round 1, 79 in round 2, 122 in round 7, 40 in round 10, 56 n.o. in round 12, and 40 in round 13. A NSWCUA qualified umpire he stood in BDCA and Women's Grade.

**Adam Rae** – captained the side this season. Continues to improve with both bat and ball. His 4 for 22 off 8 overs won us the Semi Final against Bass Hill. Has consistently taken wickets and consistently got off the mark with the bat. Relentless in the field with a very good throwing arm, he has made the diving save at the boundary his speciality.

**William Rae** – outstanding wicket-keeper and batsman, Will continued to impress with both the gloves and the bat this season. Made a chanceless 115 in round 8, and 90 in round 9. Top scored in the one day Final with 41. Top scored in the Semi Final with 27. When it came to crunch time, Will was able to rise to the occasion. Catches and stumpings for the season: 13.

**Imran Shahid** – quality bowler, whose figures would have been better if the team's fielding hadn't put down a number of chances. A great motivator who always gave 100 percent. Top scored in the Grand Final with 44 runs. Took 2 wickets in both the Semi Final and Grand Final. Consistent wicket taker, highlight was 5 for 32 in round 12. Closely followed by 4 for 28 in round 7 and 3 for 28 in round 8. First season with Sports. Also coaching a Junior team.

**Nabil Siddiqui** – played down a grade last season when the B Grade side imploded. A very aggressive big hitting batsman. Very difficult to get away spinner, his figures don't convey the role he played in stopping the scoring in its tracks, and applying pressure on both batsmen. Some good knocks, including 56 in round 7 and 37 in round 13.

**Liam Sorrenti** – an U15s player who has backed up most Saturdays to play in the afternoon as well. Has gone really well in Seniors, where his bowling has made a significant contribution. Always pinned the batsmen down, always took a wicket. His batting has improved throughout the season.

Was second highest with the bat in the Grand Final, making 23 vital runs. Very agile in field; accurate and strong throwing arm.

**Anthony Williamson** – a stylish opening batsman and slips specialist, in first season with Sports after relocating from Melbourne's eastern suburbs. Found two things difficult to get used to: lack of bar

facilities at grounds and the slow wickets, the latter the cause of a string of dismissals attempting the cut shot. Made some good scores, including 57 in round 3 and 61 in round 13. Fantastic in the slips, preferring to juggle the ball at least 3 times before catching it.
